FEATURE
IMAGE

Spiral anklet, traditionally worn by women, winding from the ankle to the knee. Made by Igbo blacksmiths, it is crafted from brass wire with hammered and brazed joins. Dated circa 1880.

Found in the British Museum.

ABOUT THE AUTHOR

Chuka Odike

I'm a dedicated civil engineer with a passion for infrastructure development and community empowerment. With a strong background in engineering, my work focuses on creating sustainable solutions for urban and rural development projects. Outside of my professional career, I'm deeply interested in Igbo history and culture. I actively explores ways to impact society by using historical lessons to inspire and educate others about the rich cultural heritage of the Igbo people, aiming to bridge tradition and modern development.
